

**Session SESM03****A Multi-Level School District Program for Continuous Improvement**

Presenters will share improved student-achievement results attributed to using PDSA, along with practical examples of how the cycle may be applied effectively in a number of schools settings. In addition, participants will learn:

- How the Baldrige Criteria can drive district-wide continuous improvement.
- Effective ways to set and communicate direction at the classroom, school and district levels.
- Effective use of specific quality tools and processes.

Additionally, participants will:

- Receive an overview of the Baldrige Criteria and how to effectively apply the framework in all aspects of a diverse, large school district.
- Learn how to develop a strategic plan on a page.
- Learn how to measure the deployment of quality initiatives.
- Learn how quality tools and feedback mechanisms are used to determine the degree to which stakeholder needs, requirements and expectations are being met.
- Achieve desired learning outcomes by developing tangible products.

Audience: District administrators, school board members.

Level: Intermediate
