### KEY AREAS OF IMPAQT:

- › Builds the framework to align adequate yearly progress plans with state and federal requirements.
- › Aligns continuous improvement efforts district-wide through a manageable three-module training process.
- › Gives you tools for increasing achievement in all your continuous improvement areas.

## HELP YOUR STUDENTS MEET THE DEMANDS OF OUR 21<sup>ST</sup>-CENTURY WORLD.

Aligning your adequate yearly progress initiatives with school board, state and federal NCLB requirements is a struggle. ImpaQT Training™ is just the tool you need to help. ImpaQT is an aligned suite of modular courses for the classroom, school and district that use continuous improvement practices to generate higher student achievement.

For more information about ImpaQT Training™ and how your school system can benefit from it, please contact [ASQ Sales](#) at 800-248-1946.

*"Schools need to look beyond piecemeal solutions to a more comprehensive approach to improving performance."*

— Jay Marino, chair of ASQ's K-12 Education Committee.
