## Learn to Align Business Services and School Improvements to a District-Wide Strategic Plan

### Continuous Improvement in Education Webinar Series:

Proven Strategies for Improvement Success

Included in the webinar series is a session from Cedar Rapids School district in Iowa that focuses on aligning business services plans to individual school improvement plans. The result is an actionable, strategic plan to achieve the schools goals.

### **Webinar 9:**

[Aligning Business Services to the District Strategic Plan](#)

Align improvement strategies to the district strategic plan.

Cedar Rapids Community School District, Cedar Rapids, IA

### **Case Study:**

[Cedar Rapids School District Charts the Path for Continuous Improvement](#)

In 2006, the Cedar Rapids Community School District began using a continuous improvement framework based on the Malcolm Baldrige Criteria for Performance Excellence. In just one year the district had earned a bronze award in the Iowa Recognition for Performance Excellence awards program. Cedar Rapids used district-wide alignment strategies to create a unified, systemic, and systematic approach to continuous improvement. [Read more...](#)
